Place and time of meeting: rendez-vous at **8.30 AM or 2.00 PM** at the parking of the “Pont du Diable” in Thueyts - transportation by your own mean.

Duration : Between 2 and 3 hours

Difficulty : ★★★★★ Adventure, medium difficulty

Description: Originally built by the militaries during the First World War, Via Ferrata is now a recognised sport. It consists of skillfully installed fixed cables, ladders, bridges and tyroleans, which assist your ascent or traverse.

We have an amazing site constructed locally, which even has a 90 metres tyrolean (zip wire), which takes you from one side of the Ardeche River to the other. Under the supervision of our experienced Guides, you will be able to appreciate the stunning mountain scenery and experience the thrill of aid climbing in safe and controlled surroundings.
